INDUSTRIAL. INNOVATION. INSPIRATION. WIRE EXPO 2008.

A special invitation from your colleagues at: **AIM Inc**

We've got something to show you at Wire Expo 2008 in a city that has evoked the best from industrialists and innovators from Andrew Carnegie to George Westinghouse. And in today's Pittsburgh, Pennsylvania, you'll see a city with a new energy that has inspired achievements like the David L. Lawrence Convention Center—the world first 'green' building of its kind—where Wire Expo exhibits will be held June 9-11, 2008.
